- **Is this nomination a new nomination or re-nomination?**  
Re-Nomination

- **Please add a short note of your personal motivation for the position for which you are nominated**

My experiences as being the youngest female in the world to climb the seven summits, organizing camps, and giving motivational speeches with UN Women Kosovo, KFOR, UNFPA, and others have equipped me with the skills and insights necessary to effectively serve as Vice President of the Youth Commission. I am adept at organizing events, fostering collaboration among diverse stakeholders, and advocating for the needs and interests of young mountaineers on a global scale. I am also passionate about promoting diversity, equity, and inclusion within the mountaineering community. I am committed to creating opportunities for underrepresented groups to participate and thrive in the sport. If elected, I will work tirelessly to empower young mountaineers around the world, providing them with the resources, support, and mentorship they need to pursue their passion for the mountains safely and responsibly. I will strive to facilitate meaningful connections and exchange opportunities among youth mountaineering organizations across different countries, fostering a sense of camaraderie and solidarity within the international mountaineering community. Additionally, I will collaborate closely with other commissions and stakeholders within the International Climbing and Mountaineering Federation to

ensure that the voices and perspectives of young mountaineers are heard and valued in decision-making processes.
