Application as UIAA Ice Climbing Athlete Consultation Group member

Dear Members of the Selection Committee,

I am writing to express my strong interest in joining the Ice Climbing Athlete Consultation Group. As an athlete and coach, I am eager to contribute my knowledge and insights to support the growth and development of ice climbing as a competitive sport.

Throughout my career, I have gained valuable experience from both a competitor's and a coach's perspective. I am confident that the insights I offer can help further improve the sport, benefiting not only current athletes but also future generations.

I believe that collaboration between athletes, coaches, and governing bodies is essential to the continued success of competitive ice climbing. I am enthusiastic about the opportunity to share my expertise and help ensure that the sport continues to thrive.

Thank you for considering my application. I look forward to the opportunity to work with other members of the group, exchanging best practices and innovative ideas to promote the sport's growth. I would be honored to join this consultation group and dedicate my experience and passion for ice climbing in a meaningful way.

Sincerely,

Swiss Alpine Club SAC
